Desserts

All our desserts are homemade on the premises and plated to order. The wait is worthwhile.

£6.15

Cheeses

£8.15

All our cheeses are farmhouse/artisan cheeses made to the highest quality. Our board contains all selections or you can have one perfect serve. The cheeseboard comes with homemade walnut bread.

Farleigh Wallop

A camembert-style goat's cheese imbued with the aroma of a fresh sprig of thyme. One of the creations of Alex James and Juliet Harbutt part of the Evenlode partnership.

Barkham Blue

Made with pasteurised channel island cows milk. Barkham Blue has full rich creamy flavour and texture with well balanced blue veining. It has won numerous awards.

Berkswell

Made by the Fletchers near Coventry from the unpasteurised milk of their own herd. A rich nuttiness along with a classic sheepy tang.

Cerney Goats

Based on a Valancay this truncated pyramid shaped cheese is coated with ash. Made near Cirencester it is delicious when young but matures well for a stronger flavour.

Single Gloucester

Made by Charles Martell using pasteurised cows milk and a vegetarian rennet. A mild lactic flavoured cheese it generally has a lower fat content than Double Gloucester.

Stinking Bishop

This soft cheese, made from pasteurised cow's milk with vegetarian rennet, has been washed in Perry to give it a characteristic taste and pungent smell.
